

The Harry C. Crews, Jr. Memorial Scholarship

The Harry C. Crews, Jr. Memorial Scholarship is awarded to a junior or senior student who is enrolled in the College of Engineering and has participated in community and professional activities. The award is based on academic merit as well as demonstrated leadership potential. Preference is given to co-op students.

The friends and family of Harry C. Crews, Jr, established this scholarship in 1994. He is warmly remembered by his family and friends for his strong work ethic, astuteness, and wit. Mr. Crews served as a senior systems analyst at Teledyne Brown Engineering for 32 years. He earned a master's degree in physics and was professionally recognized for his expertise in mathematical sciences.

This scholarship is renewable for up to three additional years. The student must maintain a full-time course load (12 credit hours) each semester. In addition, recipients must complete a total of 24 credit hours each academic year, have a cumulative GPA of 3.2 or higher, and must submit a scholarship application by the priority deadline each year, providing continued evidence of leadership potential and participation in community and professional activities, to be eligible for renewal of this award.
