

## **The James D. Hays Scholarship**

The James D. Hays Scholarship is awarded to a junior level student who is enrolled in the College of Engineering. The award is based on high academic achievement.

The scholarship was established in 1982 in honor of James D. Hays, a Huntsville community leader and enthusiastic supporter of UAH. His professional accomplishments included founding Hays Land and serving as president of the Alabama Farm Bureau Federation.

This scholarship is renewable for up to three additional years. The student must maintain a full-time course load (12 credit hours) each semester. In addition, recipients must complete a total of 24 credit hours each academic year and have a cumulative GPA of 3.0 or higher to be eligible for renewal. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
