

The Joseph C. Dowdle Scholarship

The Joseph C. Dowdle Scholarship is awarded to an undergraduate student majoring in Electrical Engineering. The award is based on academic merit.

The scholarship was established in 1997 by friends and colleagues to honor Dr. Joseph C. Dowdle. Dr. Dowdle made enormous contributions to the success of UAH. He served with distinction in various teaching and administrative positions including as a member of the Electrical Engineering faculty, department chair, and vice president for administration.

This scholarship is renewable for up to three additional years. The student must maintain a full-time course load (12 credit hours) each semester. In addition, recipients must complete a total of 24 credit hours each academic year and have a cumulative GPA of 3.0 or higher to be eligible for renewal. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
