

The Kelly Golden Zelickson Engineering Scholarship

The Kelly Golden Zelickson Engineering Scholarship is awarded to undergraduate junior or senior students enrolled in the College of Engineering, who are female (to the extent such criteria is allowed by law).

The Kelly Golden Zelickson Engineering Scholarship was established in the year 2006 to benefit the students of the University of Alabama in Huntsville.

The Zelickson scholarship is a one year award and is non-renewable. Recipients must maintain a full-time course load (12 hours) each semester, complete a total of 24 credit hours each academic year, and have a cumulative GPA of 3.0 or higher.*
