

The NASA-MSFC Retiree's Association Scholarship

The NASA-MSFC Retiree's Association Scholarship is based on academic merit, citizenship, leadership, and a demonstrated interest in space-related engineering or science. The scholarship is awarded to full-time entering freshmen students who are pursuing a degree in Engineering or the Physical Sciences. The recipient shall be either a direct descendent of a MSFC retiree or direct descendent of a member of the NASA-MSFC Retirees Association.

The scholarship was established in 2002 by the NASA-MSFC Retiree's Association.

This scholarship is renewable for up to three additional years. The student must maintain a full-time course load (12 credit hours) each semester. In addition, recipients must complete a total of 24 credit hours each academic year and have a cumulative GPA of 3.0 or higher to be eligible for renewal. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
