

## **The NEC Electronics, Inc. Scholarship**

The NEC Electronics, Inc. Scholarship is awarded to a freshman student majoring in Electrical or Computer Engineering. The award is based on academic merit, leadership ability, integrity, and commitment to excellence.

The scholarship was established in 1988. NEC Electronics, Inc. is a leading supplier, designer, and manufacturer of innovative semi-conductors and electronic components.

This scholarship is renewable for up to three additional years. The student must maintain a full-time course load (12 credit hours) each semester. In addition, recipients must complete a total of 24 credit hours each academic year and have a cumulative GPA of 3.0 or higher to be eligible for renewal. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
