

SCI Technology – A. Eugene Sapp Scholarship

The SCI Technology – A. Eugene Sapp Scholarship is awarded to a full time, undergraduate freshman who is pursuing a degree in Engineering. This award is based on academic merit, financial need, demonstrated leadership potential and evidence of contributions to school and community. Preference is given to students from the state of Alabama.

The SCI Technology – A. Eugene Sapp Scholarship was established to benefit students of The University of Alabama in Huntsville in honor of A. Eugene Sapp for his fifty years of service to SCI Technology, Inc., an Alabama corporation.

This scholarship is renewable for up to three additional years. The student must maintain a full-time course load (12 credit hours) each semester. In addition, recipients must complete a total of 24 credit hours each academic year and have a cumulative GPA of 3.0 or higher to be eligible for renewal.
