

## **The Ursula Mueller Endowed Scholarship**

The Ursula Mueller Endowed Scholarship was established by Ms. Mueller in 2013 and is awarded to undergraduate students pursuing a degree in Engineering based on academic merit.

This scholarship is renewable for up to four additional years. The student must maintain a full-time course load (undergraduate - 12 credit hours, or graduate - 9 credit hours) each semester. In addition, recipients must complete a total of 24 credit hours (graduate - 18 credit hours) each academic year and have a cumulative GPA of 3.0 or higher to be eligible for renewal. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
