

The Bonnie C. Pearson Nursing Scholarship

The Bonnie C. Pearson Nursing Scholarship. Bonnie C. Pearson, Associate Professor Emeritus at UAH, established this scholarship in 2012 to benefit graduate and undergraduate students majoring in nursing, primarily at the higher degree level. This renewable scholarship is based on academic merit and financial need.

Ms. Pearson became a registered nurse in 1957 after graduating from St. Joseph's School of Nursing in Marshfield, Wisconsin. She worked her way through the University Of Minnesota School Of Nursing, earning baccalaureate and master's degrees in 1961. Her career spanned fifty-three years in four different states and the Province of Quebec, Canada. Thirty-three of those years, she taught professional nursing. Hired at UAH in 1972 with the beginning courses in the College of Nursing, she taught her final course in the year 2000.

The scholarship is renewable for up to two additional years. The student must maintain a cumulative GPA of 3.0 or higher to be eligible for renewal. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
