

The James Allan Clark Memorial Scholarship

The James Allan Clark Memorial Scholarship is awarded to a nursing student (preference to an R.N., L.P.N., or L.R.N.) who has returned to college for a degree and who possesses good citizenship and leadership qualities. Consideration is given to demonstrated financial need.

Established in 1990, the James Allan Clark Memorial Scholarship was named in honor of a humanitarian and noted architect who participated in the design of the College of Nursing building.

This scholarship is renewable for up to three additional years. The student must maintain a full-time course load (12 credit hours) each semester. In addition, recipients must complete a total of 24 credit hours each academic year and have a cumulative GPA of 2.0 or higher to be eligible for renewal. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
