

The Nursing Excellence Scholarship

The Nursing Excellence Scholarship is awarded to University of Alabama in Huntsville undergraduate or graduate students enrolled in the College of Nursing.

The Nursing Excellence Scholarship was established in 2007 in support of the College of Nursing through a stipulation in the Last Will and Testament of Quentin Baker Leonard. Mr. Leonard wished to bequeath his property to the University through the use of an anonymous donor whom he designated as the residuary beneficiary of his estate; thus establishing the necessary funds for this scholarship.

This scholarship is renewable for up to two additional years. Recipients must maintain a full-time course load (12 hours) each semester, complete a total of 24 credit hours each academic year, and have a cumulative GPA of 3.0 or higher to be eligible for renewal. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
