

The Dr. Henry L. Pugh, Jr. Scholarship

The Dr. Henry L. Pugh, Jr. Scholarship is awarded to a student pursuing a degree in Physics, Electrical Engineering, or Mechanical and Aerospace Engineering, with preference given to students who demonstrate financial need, are residents of the State of Alabama, and show evidence of contributions to school and community.

The scholarship was established by Dr. Henry L. Pugh, Jr. to benefit students at the University of Alabama in Huntsville.

This scholarship is renewable for up to three additional years. The student must maintain a full-time course load (12 credit hours) each semester. In addition, recipients must complete a total of 24 credit hours each academic year and have a cumulative GPA of 3.0 or higher to be eligible for renewal. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
