

The Dr. Kendall Black Scholarship

The Dr. Kendall Black Scholarship is awarded to a student enrolled in the College of Science with preference given to students enrolled in pre-med studies. The award is based on academic merit, citizenship, and leadership.

The scholarship was established by Dr. Kendall Black to benefit students at UAH. Dr. Kendall Black is an orthopedic surgeon at SportsMED Orthopedic Surgery and Spine Center specializing in joint replacement, shoulder and knee reconstruction.

The scholarship is renewable for up to three additional years. The student must maintain a full-time course load (undergraduate - 12 credit hours, or graduate – 9 credit hours) each semester. In addition, recipients must complete a total of 24 credit hours (graduate – 18 credit hours) each academic year and have a cumulative GPA of 3.0 or higher to be eligible for renewal. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
