

The Jim Hudson - Research Genetics Scholarship

The Jim Hudson - Research Genetics Scholarship is awarded with preference given to applicants whose parents were employees of Research Genetics, who are pursuing a degree in Biology or Chemistry, and who have demonstrated financial need. The award is based on academic merit.

Established by the employees of Research Genetics, Inc., this scholarship honors the company founder, Jim Hudson. Mr. Hudson's accomplishments in DNA development made his company a world leader in genetic linkage products used to identify genes responsible for disease.

This scholarship is renewable for up to three additional years. The student must maintain a full-time course load (12 credit hours) each semester. In addition, recipients must complete a total of 24 credit hours each academic year and have a cumulative GPA of 3.0 or higher to be eligible for renewal. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
