

The Professor Elmer E. Anderson Scholarship

The Professor Elmer E. Anderson Scholarship is awarded to a full-time student enrolled in the College of Science who majors in Physics. The award is based on academic merit.

The scholarship was established in 1997 in honor of the dedicated service that Dr. Anderson provided UAH as an administrator and professor.

This scholarship is renewable for up to three additional years. The student must maintain a full-time course load (undergraduate - 12 credit hours, or graduate – 9 credit hours) each semester. In addition, recipients must complete a total of 24 credit hours (graduate – 18 credit hours) each academic year and have a cumulative GPA of 3.5 or higher to be eligible for renewal. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
