

The Brosemer Family Scholarship

The Brosemer Family Scholarship is awarded to a full-time math or engineering major who demonstrates financial need and has contributed to school and community.

This scholarship was established by Walter R. Brosemer Jr. in honor of the Brosemer Family. The Brosemer Family moved to Madison County Alabama as a pioneer family in 1980. They worked as small farmers and experienced many of the economic and geographic challenges that characterized much of rural Appalachia. They achieved success in agriculture, education and industry.

This scholarship is renewable for up to three additional years. The student must maintain a full-time course load (12 credit hours) each semester. In addition, recipients must complete a total of 24 credit hours each academic year, have a cumulative GPA of 3.0 or higher, and **must submit a scholarship application by the priority deadline each year** to be eligible for renewal.
