

## **Damson Automotive “Invest in the Best” Annual Scholarship**

The Damson Automotive “Invest in the Best” Annual Scholarship is awarded to a full time undergraduate student who has a minimum GPA of 2.5 and demonstrates financial need with a preference for employees or employee dependents of Jerry Damson Automotive.

Jerry Damson began his career in the automobile industry in 1961. For the first eighteen years Jerry owned and operated Jerry Damson Motors which offered a fine selection of pre-owned vehicles in the Tennessee Valley. Today, still family owned, the Jerry Damson Automotive Group operates five automobile dealerships in North Alabama.

Damson Automotive is very actively involved in our community and is an advocate for the education of young people. This scholarship was established in 2014 to benefit students pursuing higher education at UAH.

The scholarship is a one-year award. The student must maintain a full-time course load (undergraduate - 12 credit hours, or graduate - 9 credit hours). Recipients should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
