

The Donald D. Zana Memorial Scholarship

The Donald D. Zana Memorial Scholarship is awarded to a student of any major and is based on academic merit and leadership.

The scholarship was established in 1999 in loving memory of Mr. Donald (Don) Zana, former chief information officer and director of Information Technology and Resources at Teledyne Brown Engineering in Huntsville, Alabama. The scholarship was established with gifts from his family, colleagues, and friends. Mr. Zana left an extraordinary legacy of integrity, team spirit, and a deep commitment to assisting others.

This scholarship is renewable for up to three additional years. The student must maintain a full-time course load (undergraduate - 12 credit hours, or graduate - 9 credit hours) each semester. In addition, recipients must complete a total of 24 credit hours (graduate - 18 credit hours) each academic year and have a cumulative GPA of 2.5 or higher to be eligible for renewal. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
