

The Isidore and Mamie Wind and Children Scholarship

The Isidore and Mamie Wind and Children Scholarship is awarded to an undergraduate student of any major.

The scholarship was established in 1981 through a bequest from Philip B. Wind in loving memory of his parents and in honor of his sisters. Mr. Wind was a Huntsville businessman who generously bequeathed this endowed scholarship fund to help outstanding students pursue a college education.

This scholarship is renewable for up to three additional years. The student must maintain a full-time course load (12 credit hours) each semester. In addition, recipients must complete a total of 24 credit hours each academic year and have a cumulative GPA of 3.0 or higher to be eligible for renewal. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
