

The Noojin Family Scholarship

The Noojin Family Scholarship is awarded to students of any major and is based on academic merit and community service.

The Noojin family has given many years of meritorious service to the people of Alabama through leadership in business, education, and community service. Their generous donation of the Noojin House, a Huntsville landmark, for the benefit of UAH, established this scholarship by using the profit from the sale of the house as the basis for its funding.

This scholarship is considered a one-year award, which may be renewable for up to three additional years based on qualification and available funding. The student must maintain a full-time course load (12 credit hours) each semester. In addition, recipients must complete a total of 24 credit hours each academic year, have a cumulative GPA of 3.0 or higher, and must submit a scholarship application by the priority deadline each year to be eligible for renewal of this award.
