

Dusty Annual Scholarship

The Dusty Annual Scholarship was established by the Dusit Foundation in 2009 in order to provide financial assistance to UAH students. Dr. Dusit Charern is an entrepreneur, founder of the Dusit Foundation, former UAH faculty member, computer programmer and statistician who came to the United States from Thailand. His wish is to help others be successful in their collegiate goals.

This award is based on academic achievement. Preference is given to dependents of employees of the company formally known as Quality Research.
