# COMMENCEMENT MARSHALL

---

Dear Almost Alumni,

On behalf of the faculty, staff, and administration at The University of Alabama in Huntsville (UAH), I would like to extend my congratulations as you reach this significant milestone not only in your academic career, but also in your life. We share in your joy and are proud of what you have accomplished during your time here.

When you first arrived on campus at UAH your perspective was shaped by your family, your high school and your childhood friends. Your past provided the lens for you to view your future here at UAH, and shaped your dreams and goals. Now as a member of the Class of 2019, we hope that the knowledge and inspiration you have received from classes, classmates, professors and the organizations and activities

in which you have been involved at UAH will frame your future for years to come. Through classes, late night study sessions, trips, activities, research projects and other endeavors you have formed some lifelong friendships and sculpted an identity that has prepared you to lead and serve humanity.

We recognize your journey has been long and difficult, and we are excited to honor you with a meaningful commencement ceremony to help transition you to the next phase of your life. You have earned the title “alumni” as you join others who have graduated from UAH that went on to excel in their chosen professions or academia. We expect great things from our graduates, but I am confident the Class of 2019 will surpass all of those expectations. We take great pride in you and hope that you carry the UAH name with distinction to share your experience and the lessons you learned at this university with the world.

Sincerely,

A handwritten signature in black ink, appearing to read 'Brent Wren', on a light gray rectangular background.

# GUEST SEARCHES

---

All patrons entering the Propst Arena or Mark C. Smith Concert Hall during an event are subject to screening, which varies from event-to-event. Screenings range from visual inspection and bag search to screenings by a magnetometer (metal detector) and/or pat-down search conducted by security personnel. The purpose of the inspection is to detect prohibited items.

Doors typically open one hour before show time. Please arrive as close to that hour as you can. If you cannot make it to the venue before 30 minutes prior to show, expect a possible delay. We have increased our typical staffing level for events to get each and every person into the building in time for the show. However, we cannot guarantee that will happen if the majority of the crowd arrives at the venue for entry close to show time.

To help everyone have a positive experience when coming to an event, we ask that you do the following:

- ▶ Bring only essential items needed for the event you are attending.
- ▶ Leave ALL weapons at home. Weapons may include firearms, pocketknives, pepper spray, stun gun/Taser, and wallet chains.

## FOR THE ACTUAL CEREMONY

1. When you arrive at the student robing area, you will be given a card with your name, marching order number, degree and honor information – **DO NOT LOSE THIS CARD!** This card is your ticket to process across the stage. Also, please do not bend the card. It has been coded with your information (name, etc.), so when you process across the stage all information will appear on the overhead screens. If your card has honors listed (summa, magna, cum laude), you will also be given a University Honor Cord.
2. You will be instructed to “find your college line.” There will be staff on hand to assist you in finding the right college line for the processional.
3. You will process to the arena in alphabetical order within each college/degree area.
4. As you march in the processional, keep your place in line as assigned by the Commencement staff.
5. When you have reached your appropriate seat, **REMAIN STANDING** until the entire processional party is in and the invocation is concluded.
6. Caps (Mortarboards and Tams) are to be worn at all times, with the exception that men will remove their caps during the national anthem and invocation. Dr. Wren (Commencement Marshall) will announce the national anthem and introduce the minister. He will then remove his cap as a signal to you (“gentlemen, please remove your caps”). Please remain standing, men with caps removed, until the invocation is concluded and then be seated and replace caps.
7. You will stand next when directed to do so by Provost Curtis, who will recommend that degrees be conferred. President Dawson will verbally confer your degree.
8. When Provost Curtis states, “Congratulations graduates, you may now turn your tassel” – you should change your tassel from the right to the left (undergraduate students only). This will indicate that your degree has been conferred. Then be seated.
9. Follow the instructions of the floor staff. The direction of the procession will be from both sides of the stage.
10. All colleges will process to the stage. Remain in the correct marching order, remember to bring your “Card” to the stage and follow any instructions given to you by staff.
11. All students will exit the stage by the center stairs.
12. After exiting the stage, follow directions to the photography area before returning to your seat. Each student will have a “posed photograph” taken once the degree has been conferred and he/she has processed across the stage.
13. Return to your seat and celebrate with other candidates as they process across the stage.

# GUEST INSTRUCTIONS

## DAY OF THE CEREMONY

1. Guests should be directed to the Propst Arena; doors will open at 9:00 a.m. for the 10:00 a.m. ceremony and 1:30 p.m. for the 2:30 p.m. ceremony.
2. Americans with Disabilities Act (ADA) Compliance. The Von Braun Center is ADA compliant. As new standards are introduced, VBC has implemented those changes or upgrades in a timely manner. However, due to a limited number of compliant seats in the arena, guests who are mobility impaired may not be able to sit with more than one or two family members in the designated ADA sections. Additional ADA seating will be available on the floor as well.
3. Photography: The Commencement Committee has arranged to have GradImages at the ceremony to take high quality photographs of each candidate as they receive his/her diploma. Members of the audience are asked not to stand at the rail to take pictures since it may obscure the view of others.
4. To maintain the dignity and decorum of the Commencement ceremony, we ask that everyone remain through the entire ceremony.

# HONORS

---

## UNIVERSITY HONOR CORDS

For those undergraduates who are eligible, gold cords have been purchased by the University and will be available at the Von Braun Center during the robing process.

Notice: Honors indicated in the program are based on grades for semesters completed prior to the last semester. Actual honors for all completed work will be subsequently calculated and will appear on the official transcript and diploma.

## GRADUATE SCHOOL

Graduate students should not wear honor cords. The hood adorned with the college colors represents their academic accomplishments recognized by the university.

Graduation honors are not bestowed upon students receiving Masters or Doctoral degrees; therefore graduate degree recipients do not receive or wear honor cords.

## UNDERGRADUATES

Graduation with honors at the baccalaureate level requires a minimum of 60 semester hours at UAH. Honors will be determined by the grade-point average for the last 60 semester hours of coursework taken at UAH or the overall GPA for all coursework taken at UAH, whichever is higher. The academic terms containing the last 60 hours of coursework taken at UAH will be identified, and the GPA of all UAH courses taken during those terms to satisfy graduation requirements will be computed and the honors will be determined as follows:

- ▶ If the GPA computed as above is 3.90 or above, the student graduates summa cum laude.
- ▶ If the GPA computed as above is 3.70 or above (but below 3.90), the student graduates magna cum laude.
- ▶ If the GPA computed as above is 3.40 or above (but below 3.70), the student graduates cum laude.
