Dear Almost Alumni,

On behalf of the faculty, staff, and administration at The University of Alabama in Huntsville (UAH), I would like to extend my congratulations as you reach this significant milestone not only in your academic career, but also in your life. We share in your joy and are proud of what you have accomplished during your time here.

When you first arrived on campus at UAH your perspective was shaped by your family, your high school and your childhood friends. Your past provided the lens for you to view your future here at UAH, and shaped your dreams and goals. Now as a member of the Class of 2019, we hope that the knowledge and inspiration you have received from classes, classmates, professors and the organizations and activities in which you have been involved at UAH will frame your future for years to come. Through classes, late night study sessions, trips, activities, research projects and other endeavors you have formed some lifelong friendships and sculpted an identity that has prepared you to lead and serve humanity.

We recognize your journey has been long and difficult, and we are excited to honor you with a meaningful commencement ceremony to help transition you to the next phase of your life. You have earned the title “alumni” as you join others who have graduated from UAH that went on to excel in their chosen professions or academia. We expect great things from our graduates, but I am confident the Class of 2019 will surpass all of those expectations. We take great pride in you and hope that you carry the UAH name with distinction to share your experience and the lessons you learned at this university with the world.

Sincerely,

Brent Wren
Associate Provost for Undergraduate Studies
COMMENCEMENT SPEAKER

DR. DALE THOMAS
Professor and Eminent Scholar of Systems Engineering

Dale Thomas currently serves as a Professor and Eminent Scholar of Systems Engineering in the Department of Industrial and Systems Engineering and Engineering Management at The University of Alabama in Huntsville (UAH). He teaches systems engineering students in the art and science of systems architecture and design, systems integration, test and verification, and systems management.

Dale also serves as Director of the Alabama Space Grant Consortium and as the Deputy Director of the UAH Propulsion Research Center, where he leads the Propulsion Systems Engineering research team and engages in strategic planning activities.

In 1983, Dale began his NASA career at the Marshall Space Flight Center (MSFC) as an aerospace engineer in the Systems Analysis and Integration Laboratory. He held many notable positions during his career at NASA, including manager of the International Space Station Vehicle Analysis and Integration team at Johnson Space Center, Chief of the MSFC Systems Test Division, Lead Systems Engineer for NASA’s Space Launch Initiative, and Chief of the MSFC Systems Engineering Division.

He has earned numerous awards over his career including the Presidential Rank Award within the U.S. Government Senior Executive Service, twice has earned the NASA Medal for Outstanding Leadership, and the Silver Snoopy Award, presented by astronauts to NASA employees for their contributions to the success of the human spaceflight programs.

Prior to his retirement from NASA in July 2015, Dale served as the Associate Center Director (Technical) for the NASA Marshall Space Flight Center (MSFC) in Huntsville, Alabama, providing technical leadership for all MSFC spaceflight projects. He had previously served as the NASA Constellation Program Manager, leading the Constellation Program Office at Johnson Space Center in Houston, Texas, leading a nationwide team including all NASA field centers and five prime contractors.
Gary Zank is a space physicist who works on the physics of the solar wind, especially its interaction with the local interstellar medium, the acceleration and transport of energetic particles, turbulence, and shock waves. He is currently the first University of Alabama Board of Trustees Trustee Professor, and holds the Aerojet/Rocketdyne Chair in Space Science. He is also an Eminent Scholar and Distinguished Professor in the Department of Space Science at The University of Alabama at Huntsville (UAH), of which he is Chair and Director of the Center of Space Physics and Aeronomic Research.

Zank grew up in South Africa, graduating from the University of Natal with a B.Sc. (Hons.) and a Ph.D. He was a Max-Planck Post-Doctoral Fellow in Germany and Bartol Research Institute Post-Doctoral Fellow, before joining the faculty of the Bartol Research Institute of the University of Delaware. Prior to his joining UAH in 2008, Zank was the Chancellor’s Professor of Physics and Astronomy at the University of California, Riverside. He was the System-wide Director of the Institute of Geophysics & Planetary Physics at the University of California and the campus Director of the Institute of Geophysics & Planetary Physics at the University of California, Riverside. Zank is a Fellow of the American Physical Society, the American Association for the Advancement of Science, the American Geophysical Union, and an Honorary Member of the Asia, Oceania Geosciences Society (AOGS). His awards include the Zeldovich Medal (COSPAR) and the Axford Medal (AOGS). He was elected a Member of the National Academy of Sciences in 2016.
The University of Alabama in Huntsville commencement ceremony will be held in downtown Huntsville at the Von Braun Center in Propst Arena on Monday, December 16.

HELPFUL TIP
A detailed view of the Arena layout is shown on page 18.
All patrons entering the Propst Arena or Mark C. Smith Concert Hall during an event are subject to screening, which varies from event-to-event. Screenings range from visual inspection and bag search to screenings by a magnetometer (metal detector) and/or pat-down search conducted by security personnel. The purpose of the inspection is to detect prohibited items.

Doors typically open one hour before show time. Please arrive as close to that hour as you can. If you cannot make it to the venue before 30 minutes prior to show, expect a possible delay. We have increased our typical staffing level for events to get each and every person into the building in time for the show. However, we cannot guarantee that will happen if the majority of the crowd arrives at the venue for entry close to show time.

To help everyone have a positive experience when coming to an event, we ask that you do the following:

- Bring only essential items needed for the event you are attending.
- Leave ALL weapons at home. Weapons may include firearms, pocketknives, pepper spray, stun gun/Taser, and wallet chains.
- No detachable lens cameras, IPad/smart pad or selfie-sticks will be permitted.

**ITEMS NOT PERMITTED**

The following items are not permitted in the Propst Arena or Mark C. Smith Concert Hall:

- Backpacks
- Bags/purses larger than 14” x 14” x 6”
- Bottles or cans
- Aerosol cans
- Food and drink purchased outside of the Von Braun Center
- Coolers
- Chains over 6” in length
- Laser pointers
- Frisbees and/or beach balls
- Jewelry or belts of any kind containing spikes or studs
- Large umbrellas
- Suitcases
- Any noise making devices, specifically air horns with sirens or whistles
- Fireworks
- Selfie sticks
- GoPro cameras
- Illegal drugs or alcohol
- Weapons or dangerous devices of any kind
- Professional recording devices
- Poles or sticks (including signs attached to poles)

The Von Braun Center is committed to creating a safe, comfortable and enjoyable experience for all guests. All guests shall remain respectful and courteous to their fellow patrons and to comply with requests from VBC staff regarding policies, emergency response procedures and behavior which impacts the event experience of fellow spectators. The Von Braun Center values the support of all guests and reserves the right to eject any guest for any reason, including not treating other guests attending the event with dignity and respect.

STUDENT INSTRUCTIONS

PRIOR TO THE CEREMONY

1. Complete the “Reserve Your Seat” questionnaire and submit your special comment, if so desired. The extended deadline is **November 1, 2019**.

2. Purchase academic regalia from the UAH Bookstore. Don’t forget to remove the regalia from the packaging and let hang so that wrinkles are removed prior to ceremony. Last day to purchase is **December 13, 2019**. The UAH Bookstore may be contacted at 256.824.6604.

3. Order graduation announcements from Balfour by calling 1.888.225.3687, emailing CollegeGrad@balfour.com, or visiting **balfour.com**.

4. Are you a member of an honor society? Contact Society Faculty Advisor about purchasing Honor Society cords for ceremony. Honor Society honor cords must be purchased prior to the ceremony (approved list on pg. 17-18).

5. If you feel you will be unable to walk or stand for an extended period during the processional march, please contact the Disability Services Office, 256.824.1997, prior to **December 13, 2019**. In addition, you will need to alert the officials on site of your need for assistance.

DAY OF THE CEREMONY

1. The VBC has plenty of parking in designated areas for a fee. For more info, directions and parking information, see page 6 or **vonbrauncenter.com/directions**.

2. Arrive at the East Hall 3, for student line-up at least 1 hour early.
   - **10:00 a.m. Ceremony**
     Please arrive no later than 9:00 a.m.
   - **2:30 p.m. Ceremony**
     Please arrive no later than 1:30 p.m
     (Notice: Downtown activities may impede traffic, so please arrive 15-20 minutes before doors open.)

3. Don’t forget your regalia.
   - Women are advised to wear low-heeled or medium-heeled shoes for comfort and safety.
   - It is further advised that footwear and trousers be dark to complement the academic regalia. White or light colored shirts are also suggested.
   - The “ice rink” of the arena floor will be covered for this non-ice event, so please dress accordingly. (December ceremonies only)

4. Please give personal items, i.e. phone, purse, coat, etc., to your family prior to entering the student robing area or lock them securely in your vehicle. All purses and bags will be searched prior to check-in. To see complete list of prohibited items, see page 9.
   The student robing area is not secured during the ceremony. If you must keep electronic devices with you, please silence them, so as to not disturb the ceremony.

HELPFUL TIPS

Tickets are NOT required for the commencement ceremony. Guest seating at the VBC is first come first serve. Please do not save seats.
FOR THE ACTUAL CEREMONY

1. When you arrive at the student robing area, you will be given a card with your name, marching order number, degree and honor information – DO NOT LOSE THIS CARD! This card is your ticket to process across the stage. Also, please do not bend the card. It has been coded with your information (name, etc.), so when you process across the stage all information will appear on the overhead screens. If your card has honors listed (summa, magna, cum laude), you will also be given a University Honor Cord.

2. You will be instructed to “find your college line.” There will be staff on hand to assist you in finding the right college line for the processional.

3. You will process to the arena in alphabetical order within each college/degree area.

4. As you march in the processional, keep your place in line as assigned by the Commencement staff.

5. When you have reached your appropriate seat, REMAIN STANDING until the entire processional party is in and the invocation is concluded.

6. Caps (Mortarboards and Tams) are to be worn at all times, with the exception that men will remove their caps during the national anthem and invocation. Dr. Wren (Commencement Marshall) will announce the national anthem and introduce the minister. He will then remove his cap as a signal to you (“gentlemen, please remove your caps”). Please remain standing, men with caps removed, until the invocation is concluded and then be seated and replace caps.

7. You will stand next when directed to do so by Provost Curtis, who will recommend that degrees be conferred. President Dawson will verbally confer your degree.

8. When Provost Curtis states, “Congratulations graduates, you may now turn your tassel” – you should change your tassel from the right to the left (undergraduate students only). This will indicate that your degree has been conferred. Then be seated.

9. Follow the instructions of the floor staff. The direction of the procession will be from both sides of the stage.

10. All colleges will process to the stage. Remain in the correct marching order, remember to bring your “Card” to the stage and follow any instructions given to you by staff.

11. All students will exit the stage by the center stairs.

12. After exiting the stage, follow directions to the photography area before returning to your seat. Each student will have a “posed photograph” taken once the degree has been conferred and he/she has processed across the stage.

13. Return to your seat and celebrate with other candidates as they process across the stage.
DAY OF THE CEREMONY

1. Guests should be directed to the Propst Arena; doors will open at 9:00 a.m. for the 10:00 a.m. ceremony and 1:30 p.m. for the 2:30 p.m. ceremony.

2. Americans with Disabilities Act (ADA) Compliance. The Von Braun Center is ADA compliant. As new standards are introduced, VBC has implemented those changes or upgrades in a timely manner. However, due to a limited number of compliant seats in the arena, guests who are mobility impaired may not be able to sit with more than one or two family members in the designated ADA sections. Additional ADA seating will be available on the floor as well.

3. Photography: The Commencement Committee has arranged to have GradImages at the ceremony to take high quality photographs of each candidate as they receive his/her diploma. Members of the audience are asked not to stand at the rail to take pictures since it may obscure the view of others.

4. To maintain the dignity and decorum of the Commencement ceremony, we ask that everyone remain through the entire ceremony.

5. Do you need information about the City of Huntsville? Contact the Dean of Student’s Office at 256.824.6700 or Charger Union, Room 223, on the UAH campus for tourism packets.

PHOTOGRAPHER

The Commencement Committee has arranged to have GradImages at the ceremony to take high-quality photographs of each candidate as he/she receives the diploma. Proofs will be sent to you within seven days after Commencement. There is no obligation to purchase the finished prints. Ordered prints will be delivered within thirty days of the deadline printed on order card. GradImages is the only photographer authorized by UAH to send photographs to the graduates.

www.gradimages.com/Preregistration

FLOWERS AND CLASS T-SHIRT

Make this special occasion memorable by pre-ordering flowers and a class T-shirt for your graduate. Commencement Flowers will be at the ceremony for you to pick-up orders or purchase flowers. For more information, please visit their website at commencementflowers.com/index.php/alabamahuntsville.
UNIVERSITY HONOR CORDS
For those undergraduates who are eligible, gold cords have been purchased by the University and will be available at the Von Braun Center during the robing process.

Notice: Honors indicated in the program are based on grades for semesters completed prior to the last semester. Actual honors for all completed work will be subsequently calculated and will appear on the official transcript and diploma.

GRADUATE SCHOOL
Graduate students should not wear honor cords. The hood adorned with the college colors represents their academic accomplishments recognized by the university.

Graduation honors are not bestowed upon students receiving Masters or Doctoral degrees; therefore graduate degree recipients do not receive or wear honor cords.

UNDERGRADUATES
Graduation with honors at the baccalaureate level requires a minimum of 60 semester hours at UAH. Honors will be determined by the grade-point average for the last 60 semester hours of coursework taken at UAH or the overall GPA for all coursework taken at UAH, whichever is higher. The academic terms containing the last 60 hours of coursework taken at UAH will be identified, and the GPA of all UAH courses taken during those terms to satisfy graduation requirements will be computed and the honors will be determined as follows:

- If the GPA computed as above is 3.90 or above, the student graduates summa cum laude.
- If the GPA computed as above is 3.70 or above (but below 3.90), the student graduates magna cum laude.
- If the GPA computed as above is 3.40 or above (but below 3.70), the student graduates cum laude.

WHEN DO I GET MY DIPLOMA?
Diplomas are ordered after all degrees have been awarded. Degrees are awarded once all grades have been turned into the Office of the Registrar. Please note it takes approximately 7 weeks to receive your diploma. An email will be sent to the student’s UAH account once the diplomas have been ordered and then again after they have been mailed.
Diplomas will be sent via U.S. mail, so please make sure that your permanent mailing address is updated upon graduation.
