

## GRE/GMAT/MAT WAIVER REQUEST FORM

In response to COVID-19, admission test scores for the GRE, GMAT, and MAT have been waived for Summer 2020 and Fall 2020 if the applicant meets the alternate requirements outlined below. Doctorate candidates will be evaluated holistically based on their entire application, including research and recommendation letters. Colleges may also evaluate transcripts and grades in specific courses to determine an applicant's readiness. Meeting these alternate requirements does not guarantee admission.

The TOFEL/IELTS language tests and PRAXIS education test are not waived at this time. This change affects applicants whose scores have not been received as of March 15, 2020.
