

Alumni of Achievement Award

Purpose

The Alumni of Achievement Award is the highest honor bestowed by the UAH Alumni Association. Created in 2001 as part of the University's "50 Years of Class Celebration," the award recognizes UAH graduates who exemplify the high standards of the University through their professional and personal accomplishments.

Alumni of Achievement honorees are selected by a committee in collaboration with the UAH academic deans, president of the University, and the Alumni Association Board of Directors. The committee includes, but is not limited to, the vice president of University Advancement, president of the UAH Alumni Association, a member of the UAH Alumni Association Board of Directors appointed by the president of the UAH Alumni Association, and the executive director of the UAH Alumni Association. When feasible, two previous Alumni of Achievement honorees serve as selection committee members or as consultants to the selection committee. The final selection of honorees is confirmed by the UAH Alumni Association Board of Directors.
