

Technical Communication Certificate Requirements:

This program leads to an M.A. in English with a Graduate Certificate in Technical Communication. In addition to the basic requirements listed below, this program requires coursework in technical writing and editing as well as coursework in a technical or allied field. Those courses will be determined in consultation with the [Director of Technical Writing](#). The program requires 11 courses (33 hours) for completion, with specific requirements listed below. You will need to complete either a Capstone Project or a Thesis. Course requirements are as follows:

Code	Title	Semester Hours
EH 501	THRY & PRACTICE TECHNICAL COMM	3
EH 603	EDITING FOR PUBLICATION	3
	EH Technical Writing Elective, 600 level	3
	EH Technical Writing Elective	3
	Allied Field Course	3
	Allied Field Course	3
	Literature Electives	9
	English Electives	6
	Total Semester Hours	33

Basic Requirements:

- At least one third of the hours you take toward your degree should be at the 600 level.
- At least 9 hours in your program should be in literature. To count, a course should deal with literature directly, rather than with writing or other topics. Please check to confirm if you have any questions about a specific course.
- You must complete all work toward your degree within thirty semesters of the first course you take (counting summers). Courses taken between eighteen and thirty semesters prior to your degree program completion date may be re-validated by departmental exams negotiated with the specific faculty member who has responsibility for that course; any graduate course more than thirty semesters old may not be used.
- Up to nine hours of graduate work in English may be transferred from other institutions with the approval of the [Director of Graduate Studies](#). At least nine hours in English courses numbered 500 or above must be completed here at UAH (exclusive of thesis hours).
- To be a full-time student, you will need to take a course load of 9 hours per semester. While you are permitted to take up to 13 semester hours per term, you should consult with the [Director of Graduate Studies](#) about doing so.
- You must maintain a 3.0 GPA in all courses taken at the graduate level. If in any semester your cumulative GPA falls below that 3.0 level, you will be on probation. You might also wish to assess your commitment to a graduate program.
