

## **Class Substance, Alcohol Abstention, and Social Media/Media Misuse Policy Agreement**

This agreement must be signed before a student may participate in any activities with **(Your CEO Class Name)**.

### **Student Agreement**

By signing this agreement, I agree to abstain from the possession or use of any alcohol, non-prescription drug, illegal prescription drug use, or tobacco product (including vape) regardless of time, place or occasion. I also understand posting or possessing "images in the media" (mainly "social media") that are "verified by law enforcement officials" (tickets) as violations is also a violation of this agreement.

I understand that if it is determined that I have been in possession or have used any alcohol, non-prescription drug, illegally used prescription drug, tobacco product, or in possession of social media/media law enforcement finds as a violation at any time from the beginning of the first day of student activities in August through the last day of CEO class, whichever is later, that I will be subject to the consequences for any and all activities in which I participate.

### **Parent/Guardian Agreement**

I have read and understand the rules prohibiting drugs, alcohol, tobacco use and social media/media violations.

By signing this agreement, I agree to support my son/daughter in their promise to abstain from the possession or use of any alcohol, non-prescription or illegally used prescription drug, tobacco product, or social media/media violating the law, regardless of time, place or occasion.

I understand that if it is determined that my son/daughter has been in possession or has used any alcohol, non-prescription or illegally used prescription drug or tobacco product and misuse of social media/media at any time from the beginning of the first day of student activities in August through the last day of school and/or the last student activity, whichever is later, that he/she will be subject to the consequences for any and all activities in which he/she participates.
