

## Guardian and Student Agreement

- The CEO Student and Guardian both understand that the CEO student and/or guardian will provide the CEO Students transportation to and from CEO locations. The CEO Student must dress in business or professional attire, and will frequently use computers and/or other devices for his/her work. If any of these requirements present a problem, the CEO Board and CEO Facilitator will work together to remove any roadblocks to the CEO student's success.
- The CEO Student and Guardian both understand that information about selected CEO Students, projects developed, and photographs taken during CEO Activities will be shared with the public.
- The CEO Student and Guardian both understand that when a student is selected to participate in the CEO Class, that student is making an ongoing commitment to remain engaged with the CEO Program as a CEO Alumnus.
- The CEO Student and Guardian both understand that the local business community invests substantial dollars into this CEO Program enabling selected CEO Students to create project-based experiences through business visits, guest speakers, class business events, and forming the CEO Students own real individual business in order to learn business and life skills.
- The CEO Student and Guardian both understand that class meets for 90 minutes and the CEO Student is expected to show up and be on time every day.
- The CEO Student and Guardian both understand and comply with legal and financial liabilities from earned income from the CEO Student individual business and will assess and manage risk involved with said business.
