

THE UNIVERSITY OF ALABAMA IN HUNTSVILLE
APPLICATION FOR INTERNATIONAL VISITOR

Before issuing a letter of invitation to an International Visitor or requesting assistance to sponsor a J-1 scholar, this form must be completed and approved. International Services will forward this form to the Office of Research Security. International Visitors are foreign national scientists, graduate students, or other researchers who are in the U.S. on visas but are not employees or enrolled students of UAH. An international visitor could be a scientist, professor, student, or staff from a foreign based company, governmental entity, or university, who comes to the UAH to directly observe or participate in research for a period ranging from a few days to more than a year. UAH academic units and research centers must comply with U.S. laws and regulations in hosting foreign visitors, particularly those who participate in research.
