Register for Classes

After you have met with your program coordinator, visit uah.edu/registrar/registration for instructions on how to register for classes with Schedule Planner. Be sure to also reference the posted registration dates for your term of entry and the academic calendar for important dates and deadlines at uah.edu/registrar/calendars.

Pay Your Bill

Visit uah.edu/bursar for information on installment plans, paying your bill, and signing up for direct deposit for financial aid. Paper bills will not be issued, and all payments are due on the first day of class. The Bursar's Office is located in the Student Services Building (SSB), room 123.

Get Familiar with Campus

Locate your classrooms and other UAH facilities at uah.edu/map.

Register for Your Charger Card

All graduate students are encouraged to obtain an official UAH photo identification card (Charger Card). Your Charger

Card will give you access to campus facilities and services and will allow you to make purchases at participating locations.

Students can pick up their Charger Card in Charger Union (CU), room 131, from 8:30 to 5:00 pm, Monday – Friday, excluding holidays. Verification of class schedule and photo ID is required. Visit uah.edu/chargercard/photoguidelines for more information about how to submit your photo online through myUAH.

Learn Your Student Identification/Campus IDs

In addition to your name, there are two identifying values we use to determine which student record is yours:

Charger ID:

Your Charger ID is typically your initials followed by 4 digits (eg. abc0001). It will be your username for all online UAH systems, such as your email, myUAH, Wi-Fi, Canvas, etc. It is also the first part of your UAH email address (eg. abc0001@uah.edu).

A-number:

This is an ID number unique to each student that will serve to identify you during your time as a UAH student. The format is a capital A followed by 8 digits (eg. A12345678). Your A-number will be needed if you ever forget your UAH passwords.
