Your safety is our first priority.

- We are continually monitoring the COVID-19 situation, and working with all College of Science departments to adapt to the ever-evolving situation.
- Every day, more departments are choosing to teach 100% online.
- The fall schedule of courses is changing daily.
- We are doing our best to keep you informed as the changes occur.
View course options using the “Current class schedules” link:

T = Traditional = In person course

O = Online, Synchronous = Course with a specific time. Complete the course at the scheduled time.

O = Online, Asynchronous = Course with "TBA." Complete the course on your own time.

Y = Hybrid = Course with a specific time. Complete the course a combination of in person and online during the scheduled time.

Almost every HYBRID course has a REMOTE option.

What if I have an online/remote synchronous course, followed by a hybrid/in person course, but only have 20 minutes between the courses...

Will there be a place on campus for me to access the online/remote course so I can make it to my in person course on time?

Yes!

The UAH campus will be open. Places such as the Student Success Center, the Library, Charger Union, and other buildings will be available so you can to access places to study and take your remote courses should you need to.

Please be mindful of social distancing, Wear a mask, and try to stay healthy!
