

# College of Science

Student Educational Planner (SEP)

THE UNIVERSITY OF  
ALABAMA IN HUNTSVILLE

# Student Educational Planner (SEP)

The Science Advising Office is transitioning to the Student Educational Planner (SEP) located in your DegreeWorks profile. SEP will replace your "Long Range Plan" sent from your Science Advisor.

At this time, only **COS seniors** have a "SEP" plan.

All other COS students will be emailed their Long Range Plan for registration for Spring 2023.

# How to access SEP

- Login to my.uah.edu
- Find the "Student Services" section
- In the subsection "Student Records" select "DegreeWorks"
- In DegreeWorks, select "Plans" from the top menu
- Select "COS Advisor Plan"

The screenshot shows the DegreeWorks interface. At the top, the navigation menu includes 'DEGREE AUDIT', 'EXCEPTIONS', 'PLANS' (circled in red), 'ADMIN', and 'LINKS'. The main content area is titled 'Plans' and includes a search bar with fields for 'Student ID', 'Name', and 'Degree' (set to 'Bachelor of Science'). Below the search bar, there are filters for 'Classification' (Senior), 'Level' (Undergraduate), 'College' (Science), 'Major' (Biological Science), 'Minor' (Earth Ecosystems), and 'Confidential' (N). The 'Academic Standing' is 'Good Standing' and 'Transfer Hours' are '60'. The 'Advisor(s)' are 'No Advisor Assigned'. The 'Plan List' table has columns for 'Description', 'Active', 'Modified', 'Who', 'Degree', 'Level', and 'Status'. The first row is 'COS Advisor Plan', which is circled in red. The table also shows 'Page 1 of 1' and 'Total results: 1'.

Description	Active	Modified	Who	Degree	Level	Status
COS Advisor Plan	Yes	09/14/2022	Wilson, Matthew T	BS	UG	Locked

# Requirements by Semester

The screenshot displays a user interface for course requirements, organized into two columns for different semesters. Each column has a header with the semester name and total credits, followed by a list of course requirements. Each requirement is presented in a card format with a plus sign, course name, credits, and a status indicator.

Semester	Total Credits	Requirement	Credits	Status
Fall 2022	13.0	(+)		
Fall 2022	13.0	BYS 312	4.0	Not Selected
Fall 2022	13.0	PH 101	4.0	Not Selected
Fall 2022	13.0	BYS 490	2.0	Not Selected
Fall 2022	13.0	PRO 322	3.0	Not Selected
Fall 2022	13.0	Apply to Graduate		Not Selected
Fall 2022	13.0	(+)		
Spring 2023	10.0	(+)		
Spring 2023	10.0	AES 302	3.0	Not Selected
Spring 2023	10.0	PY 300	3.0	Not Selected
Spring 2023	10.0	PY 304	1.0	Not Selected
Spring 2023	10.0	AES 210 or AES 303 or AES 307 or AES 321 or AES 370 or AES 407 or AES 408 or AES 414 or AES 415	3.0	Not Selected
Spring 2023	10.0	(+)		

# SEP Requirement Guide

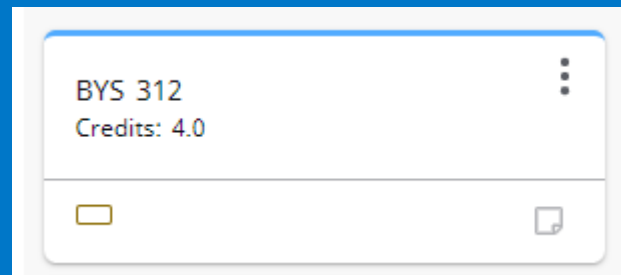

@ @ = General Elective (any subject, any level)

@ 3@ = 300 level General Elective (any subject, 300 level)

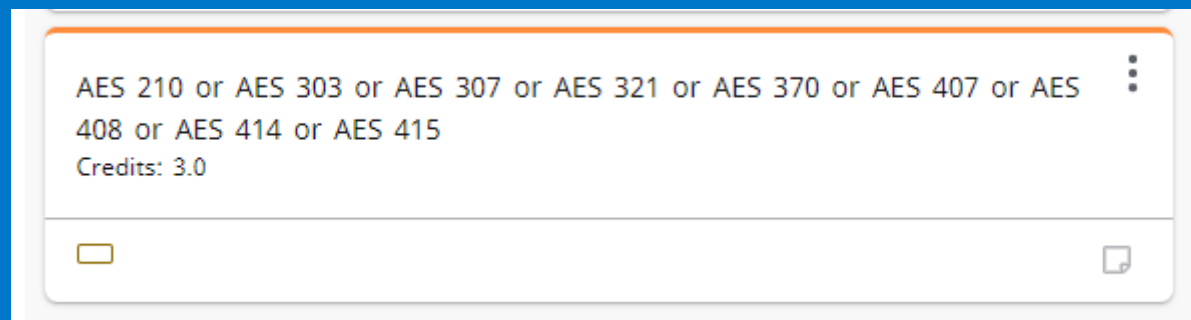

@ 4@ = 400 level General Elective (any subject, 400 level)

BYS 3@ = 300 or 400 level Biology Course (any Biology course, 300 or 400 level)

**Specific course requirements have a blue line & do not contain the word "or"**

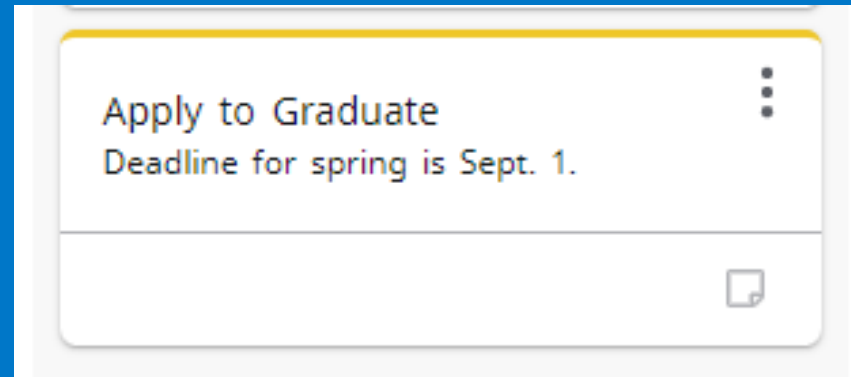

**Choice requirements have an orange line and do contain the word "or"**

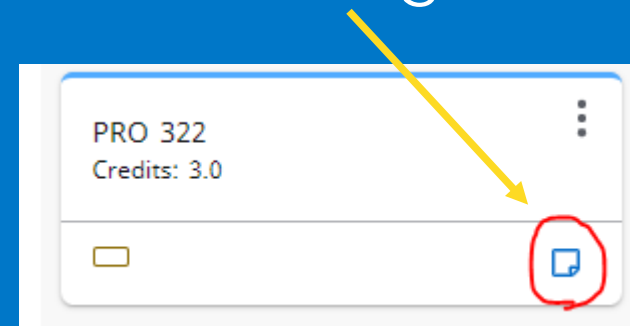

# Placeholder Requirements

Placeholder requirements have a **yellow** line and contain important information!

# Notes

If a listed requirement has a blue note at the lower right hand corner, click it for more information.

Once you click it, a window will open with additional information.
