

Dear Prospective Student:

The UAH Department of Biological Sciences appreciates your interest in our graduate degree program. In order to complete the application process for the Department of Biological Sciences you must complete the Secondary Departmental Graduate Program application as well as have two letters of recommendation submitted on your behalf. This is in addition to the application that you have filled out from the School of Graduate Studies. If you are interested in being considered for a Graduate Teaching Assistantship (GTA) please submit the Graduate Assistantship application form along with your other documents to Graduate Studies. **For full consideration for a GTA please submit all your material before February 15th for Fall semester admittance or August 15th for Spring semester admittance.**

We would like you to be as informed as possible about our department and faculty. Please visit our departmental web site at <http://www.uah.edu/science/departments/biology>. If you are applying for the Plan I track (MS with Thesis), we strongly recommend that you contact a perspective advisor prior to applying.

We look forward to receiving your completed application and we will give you full consideration for admissions into the UAH Department of Biological Sciences. If you have any questions, please feel free to contact me by telephone at (256) 824-4326 or you can email me at Imm0015@uah.edu.

Best Wishes,

Dr. Luciano M. Matzkin
Director of the Graduate Program
Department of Biological Sciences
Office (256) 824-4326
