Resolution in Recognition of the Global Leadership Mentoring Community Program

- Whereas, the Global Leadership Mentoring Community (GLMC) is a program developed by international nurse leaders in 2015 to provide leadership mentoring opportunities for emerging nurse leaders; and
- Whereas, the founding leaders of GLMC, Dr. Ellen Buckner and Dr. Claudia Lai, identified strategic program objectives to ensure the success of the professional nurse mentor/mentee experience; and
- Whereas, the GLMC successfully coordinated three (3) biennial cohorts that provided international mentoring opportunities and promoted global collaboration for Sigma members—global nurse leaders and emerging nurse leaders—in all professional domains; and
- Whereas, GLMC program data documented the positive impact GLMC intentional mentoring has had on the development of next-generation Sigma leaders as well as global leaders who support the mission and vision of Sigma to improve the health of the world populations; therefore, be it
- Resolved, that this body affirms its ongoing appreciation for the dedication of the GLMC developers and current coordinators in offering this global opportunity to Sigma members to enhance joyful collaboration and mentoring experiences.
