

DAVID ALLEN COOK

Education

California State University, Humanities, M.A. 2005

Michigan State University, Social Science and Political Science (double major), B.A. 1986

Professional Experience

The University of Alabama in Huntsville (UAH), Huntsville, Alabama

Office of Academic Affairs/Honors College

Director of Undergraduate Research, August 2018 – Present

- Leads the directive to create a culture of undergraduate research and innovation through design, implementation and oversight of research programs, dissemination events, and initiatives to integrate undergraduate research into the curriculum to increase student participation and interaction with faculty and research staff, with the goal of boosting recruitment, retention, and graduation rates.
- Is the main point-of-contact and spokesperson for matters regarding undergraduate research. Organizes information, develops tools, workshops/presentations and provides advising to promote undergraduate research and its benefits, in addition to creating ready access to information on undergraduate research through newsletters, social and print media, publicity events and web content.
- Designs, creates and organizes assessment of individual programs, as well as the aggregate activities of undergraduate research and its impact on students, faculty, the curriculum and the institution.
- Leads the drive for diversity and inclusion in students participating in undergraduate research, and initiates and oversees ways to promote undergraduate research to a wider audience through outreach including K-12, and particularly underrepresented groups and institutions.
- Provides leadership, vision, direction and results, in increasing and expanding undergraduate research opportunities through the home institution, by writing grants, and seeking partnerships between higher education institutions, with businesses, non-profits, and government organizations.
- Collaborates closely with the Honors Dean to oversee all research programs and research grants sponsored within the Honors College, advises Honors students and provide capstone/thesis supervision.

The University of Alabama in Huntsville (UAH), Huntsville, Alabama

Office of Academic Affairs/Honors College

Coordinator of Student Research, August 2011 – 2018

The University of Alabama in Huntsville, Huntsville, Alabama

Office of International Programs and Services
