

A detailed campus map with various buildings, parking lots, and green spaces. Three specific areas are highlighted with colored overlays and red outlines. A large blue area is in the upper left, a yellow area is in the center, and another yellow area is to the right. A red line traces a path through the center. Text labels are placed near these areas.

of Charger Village expansion  
December 2016 - June 2018

Area closed for  
Greenway expansion  
December 2016 - April 1 2017

Area closed for  
road expansion  
December 2016 - April 1 2017

Pedestrian path  
December 2016 - April 1, 2017

Access to loading docks of Engineering and Optics Building will be impacted as a result of construction projects. While there will be limited access for duration of construction, any special need for delivery to these docks during construction activity (mid-December, 2016 through 1 April, 2017) should be coordinated with Office of AVP for Facilities and Operations and/or Office of Campus Architect
