

CYBERSECURITY SUMMER CAMP

FOR TEACHERS AND TEACHERS-IN-TRAINING FROM NORTH ALABAMA
AT THE UNIVERSITY OF ALABAMA IN HUNTSVILLE

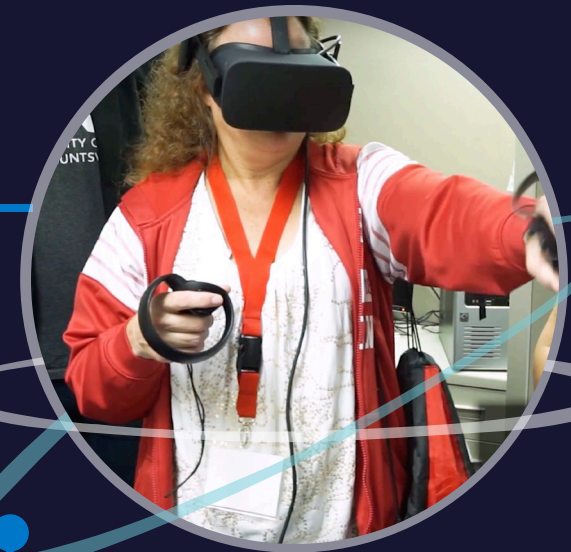

THE UNIVERSITY OF
ALABAMA IN HUNTSVILLE

CENTER FOR CYBERSECURITY
RESEARCH AND EDUCATION

JUNE 10-14
JUNE 17-21
8:30AM - 4:30PM

- ✓ Learn basic cybersecurity and computer skills
- ✓ Breakfast and lunch provided
- ✓ \$400 stipend provided
- ✓ Open to public school teachers and teachers-in-training
- ✓ Only basic understanding of computers required

GenCyber will create cyber-savvy educators through hands-on lab exercises, demos, and group-based curriculum development sessions.

We encourage at least two teachers from each school to attend.
