

How ICR Works at UAHuntsville

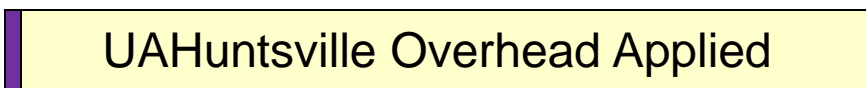

- Overhead Rate:
- 48% On-Site
 - 26% Off-Site
 - Other (usually much less) as required by law or funding agency.

• Amount to Allocate = Yellow Area

If (Overhead Rate > 48%) {

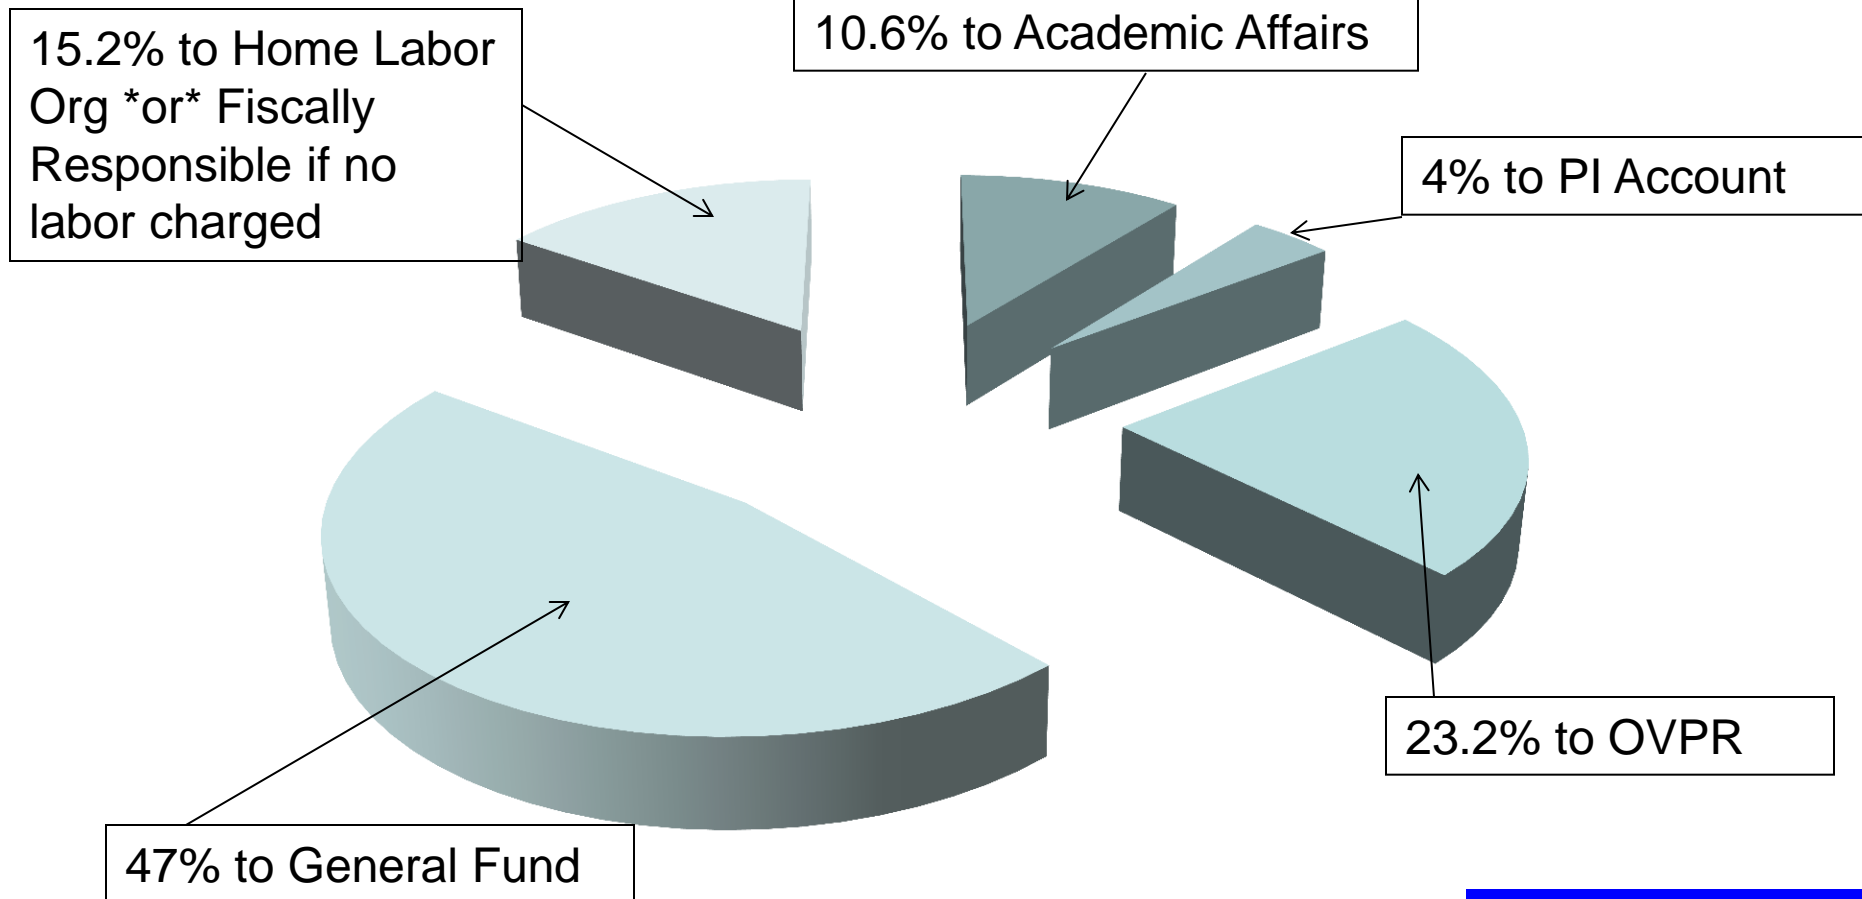

- General Funds allocated 2.5%
- Amount to Allocate = Yellow Area

}

The way in which we recover real costs associated with doing business

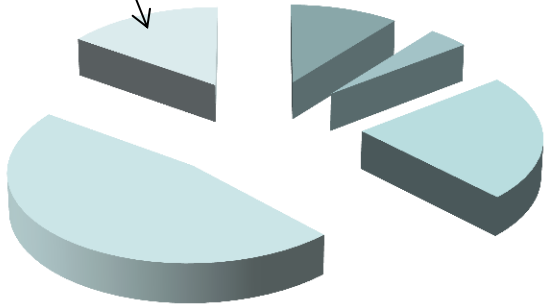

How ICR Works at UAHuntsville

UAHuntsville Overhead Applied

Recent changes to the “15.2% Piece”

15.2% to Home Labor Org
or Fiscally Responsible if
no labor charged

Was:

- Non-labor portions (travel, supplies, etc.) associated with this 15.2% (of the overall XX percentage) allocated to Fiscally responsible.
- Salaries and Fringe allocated 50/50 between Home Labor and Fiscally Responsible.

Is:

- All allocated to Home Labor unless no Home Labor is charged. Then to Fiscally Responsible.

Home Labor can be a Research Center or a Department, determined on your PARF
