2. Complete the [job description](#) form
3. If you have not identified a student for your position, you may post the position on Charger Path (uah.joinhandshake.com). You can independently set-up interview with applicants of interest according to mutual availability.
 - a. If you do not already have a Charger Path account please create one [here](#). Please use a uah.edu email address when creating your account.
4. Determine the student's academic eligibility.
 - a. You can ask the student to provide you with a current transcript or **Sandi Wise** in the Office of Student Affairs (sandra.wise@uah.edu) can provide you with their eligibility status.
5. Determine the number of other jobs the student holds on campus, if any, and ask for the number of scheduled hours with other departments.
 - a. The maximum total number of hours a student can work on campus is 58 hours per pay period (29 hours per week). This total includes ALL positions held on campus.

International Students are permitted to work a maximum of 20 hours per week while classes are in session and full-time during holidays or school vacation periods, provided the student intends to enroll full-time during the academic term following the vacation period. This 20-hour total includes hours spent working on an assistantship. For example, a one-third time assistantship is equivalent to 13 hours of work; therefore, the student can work a maximum of 7 additional hours on campus to total 20 hours.
6. Once a hiring decision is made, provide the student with a verbal offer.
 - a. Do not issue a written offer until after a positive result is received on the background check.
7. Email the student's name, A# and email address to backgroundchecks@uah.edu to initiate the background check. In approximately 24 hours, a response will be received informing you that the background check has been initiated. HR will notify you again (usually in 3-5 days) when the background check results have been received.
